

Call for papers: Special issue 'Strawberry'.

Submission deadline: 31 August 2019.

Target publication date: March 2020

Dear JSHS members,

Thank you for your continuous support for the Horticulture Journal (Hort. J.). With the support by the Japan Society for the Promotion of Science (JSPS) KAKENHI, the Hort. J. starts publishing a special issue series. The journal is seeking original research articles as well as review articles for the special issue 'Strawberry' which is planned to be published in March 2020. The selected articles will be published free of charge. Please consider to share your original research work to worldwide in this occasion.

Areas of particular interest (not limited to)

- * Strawberry production technique
- * Strawberry breeding
- * Postharvest physiology/handling of strawberry fruits (including transportation)
- * Physiology of genus *Fragaria*
- * Genetics of genus *Fragaria*

(Any other suggestions are welcome. Please tell your intention to Hort J. editorial office; hortj@jshs.jp)
